## EXPLORING THE UNKNOWN.....

### Advanced Psychic

**Development** is designed to explore what you might have only dreamed as possible of your psychic/intuitive abilities. Experience the 'transformative' and 'unbelievable' in a safe and structured environment. Each class is fashioned to inspire and educate every student, meeting all levels of ability or awareness. You must be a Reiki Level Two to take this series.

### About the Instructor...

**Lisa Mohr**, Licensed Massage Therapist, and Reiki Master has been actively teaching energy and psychic awareness for over 17 years. She has multiple psychic learning languages making her an ideal teacher for all students. It is her goal to activate the dormant psychic abilities of each student she encounters.
